

PRISMATIC AESTHETICS

ENGINEERED FOR PERFORMANCE

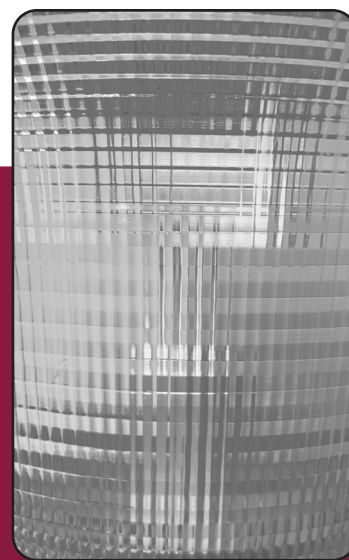

The K445 Sol-Lux™ from King Luminaire reimagines the iconic prismatic globe style for today's lighting needs.

The classic look you love — now powered by LEDs and precision nano-optics — delivers enhanced performance, reduced glare, and minimal uplight.

HIGHLIGHTS:

- Reduced Lv Ratio
- Minimal Uplight
- Optimized for LED
- Distribution controlled by nano-optics, not prisms
- Designed to meet RP-8 standard
- Uses new P5 LED Flat Array Engine
